Vice-Chancellor

## Message

It gives me immense pleasure to announce that the Delhi Technological University (Formerly Delhi College of Engineering), DTU, is commencing admissions in July, 2020 to the various graduate and postgraduate level courses for the year 2020-21. DTU has a long legacy of excellence in education and technology development. The vision of DTU is to be a world class university through education, innovation and research for the service of humanity. We nurture the young and talented students to make them successful professionals, strong leaders and good human beings. The comprehensive curricula of our university are designed with an international perspective giving multiple opportunities to the students for their holistic development. The diverse extra-curricular activities and the various student societies make learning a joyous experience for our students.

We are focused and committed towards empowering our students with the knowledge and skills that let them open their wings and fly high. The vast group of recruiters visiting our campus and the placement statistics of our university highlight the technological and comprehensive grooming that our students receive during their stay at DTU.

I would like to assure you that becoming a part of the DTU students' fraternity will help you shape your academic future in a very fruitful way. I hope that this admission brochure shall provide all the needful information about admission procedures, and other related academic activities.

I wish all the best to the candidates applying for admission under B.Tech. Programme (Lateral Entry) of Delhi Technological University.

# ABOUT DELHI TECHNOLOGICAL UNIVERSITY

## VISION

“To be a world class university through education, innovation and research for the service of humanity”

Delhi Technological University (formerly known as Delhi College of Engineering) is one of the most well-known Engineering Institutions of India, with over 79 years of glorious tradition behind it. DTU is a non-affiliating, teaching and research University, and it is poised to create an environment of a synergetic partnership between Academia and Industry. It aims to cause a major departure from the conventional system of education and research and aspires to imbibe a culture of scientific research and education by providing a seamless environment for the integration of Science, Engineering, and Technology. The University also endeavours to provide the thrill of a corporate Research and Development environment with a planned focus on industry oriented projects and technology incubation. DTU has consistently been ranked among the top Engineering Institutions of the country in reputed surveys. More information can be accessed at [www.dtu.ac.in](http://www.dtu.ac.in).

## MISSION

To establish centres of excellence in emerging areas of science, engineering, technology, management and allied areas

To foster an ecosystem for incubation, product development, transfer of technology and entrepreneurship

To create an environment of collaboration, experimentation, imagination and creativity

To provide environment friendly, reasonable and sustainable solutions for local and global need

To develop human potential with analytical abilities, ethics and integrity

## B. Tech. Programme (Lateral Entry)

The University offers an opportunity to bright candidates having three-year regular Diploma to obtain B. Tech. Degree in Engineering through Lateral Entry Admissions. The candidates will be admitted directly to the second year of regular B. Tech. Programmes of DTU against vacant seats
